SERBIA - FAROE ISLAND

The debut match of the tournament turned out to be extremely tense

The tournament opened with a match of the "B" subgroup teams, in which the teams of Serbia and the Faroe Islands took part. The first half of the match was actually point by point and neither team was able to gain an advantage except for the 1 or 2 goal advances, which were usually soon eliminated by the opposing team. Despite the scenario of the game, at the end of the half, the Serbian team managed to gain a certain playing advantage, which was finally recorded by the scoreboard and the first half of the match ended 14-12.

In the second half of the match, the Faroe Islands gained a playing advantage, which was manifested in precise offensive action and compact play in defense, and first managed to equalize the score, and then went ahead with a 2-ball advantage. The handicap was maintained by the Faroe Islands girls' team almost until the last minutes of the game, but at the end of the game the Serbian team managed to mobilize the last forces and managed to equalize the score thanks to the good play of the goalkeeper and precise action in the attack. At the end of the match, Faroe's team could not use the free throw after the end of the game minutes and the match ended with a draw score of 26:26.

Comments from coaches and the best players of the match:

1) How would you rate the game?

PALSDOTTIR NÓLSOY Maria (Faroe Island): It was really good game. But also it was annoying that we didn't win, Because we were very close to winning.

OLSEN Simon (Head coach of Faroe island): It was our first match. And it wasn't easy, especially with Serbia. So i'm very proud of our players.

CVETKOVIC Anja (Serbia): It was very hard. Our girls were very tired. I'm sure that we didn't do our best and could have played better.

TIJANIC Zoran (Head coach of Serbia): It was our first game with this generation. And it was very big challenge. We played pretty good. But we did lost the ball few times when we shouldn't have. And the opponent team was well prepared too.

2) What were your expectations before the game?

PALSDOTTIR NÓLSOY Maria (Faroe Island): We wanted to win but we didn't have very high expectations. We knew the other team was strong too.

OLSEN Simon (Head coach of Faroe island): We were expecting that this would be a hard match. Because Serbia is one of the best teams down here. But we believed that we could win.

CVETKOVIC Anja (Serbia): We sure wanted and expected to win. But girls from Faroe Island were really great and brave.

TIJANIC Zoran (Head coach of Serbia): We of course planned and expected to win. But when it's about game you never know what happens.

Remarks

GEORGIA - LUXEMBURG

The hosts of the tournament started the debut match with a defeat

It was clear from the start of the championship that the match between Georgia and Luxemburg would be practically crucial for both teams in terms of the tournament standing situation, as two teams of equal strength faced each other. The expectations were justified and the start of the match turned out to be very tense and nervous, the teams were following each other point by point and neither team was able to gain the advantage. The big period of the first half was like a scenario, but 10 minutes before the end of the half, the Luxemburg team gained a playing advantage, which could not be eliminated by two time-outs taken by the head coach of the Georgian national team and the first half of the match ended in a convincing 9-13 victory for the Luxemburg national team.

Despite the fact that the Georgian national team tried to turn the game around in the second half and there was a period when the difference between them and the opponent was reduced to a minimum, the Georgians still failed to gain a turning advantage and equalize the score and move forward. The match ended 20-24 in the final, with Luxemburg winning.

Comments of the coaches and best players of the match:

1) How would you rate this game?

Suramlishvili Ana (Georgia): As you saw we scored first goal at the beginning and i think that we could've won this game. Unfortunately we lost but i still think that we did a good job.

Zhvania Gela (Head coach of Georgia): I think that the girls did a good job. Still we were hoping to win of course but our opponents were very strong and good too.

Melchior Lily (Luxemburg): I rate this game 10 out of 10. I dont know what to say. We are very happy and i think that all of the players did a very good job.

Keiffer Josee (Head coach of Luxemburg): Very good match, i am actually very happy with the team and the game.

2) What were your expectations for this match?

Suramlishvili Ana (Georgia): We went out there to win of course but it was a great experience still.

Zhvania Gela (Head coach of Georgia): We were hoping to win cause girls worked really hard for it.

Melchior Lily (Luxemburg): We expected to win of course. This was our first match and i think we worked very well together.

Keiffer Josee (Head coach of Luxemburg): I expected girls to play a strong and a good game and i think that it appears on the scores well.

ITALY - ESTONIA

Easy victory for the Apennines

The match took place in parallel with the match of the host team and it can be said that this match was much less intriguing than the match in the main hall. The Italian team managed to gain an advantage at the start of the game, which was increased throughout the first half, and finally ended the half with a big difference of 20:5.

Although the Italian team played with less concentration in the second half and allowed the opponent to score twice as many goals as in the first half, the difference on the scoreboard at the end of the match was still solid - 34-15.

Comments of the coaches and best players of the match:

SAMOYLOVA Angelina (Estonia): I think we played very well. it was very hard for us. We were very nervous, because it was our first big play. And everything was new.

KUNGURTSEVA Ella (Head coach of Estonia): Our girls did very good job. Because it was first play for them. The opponent team was well prepared and very strong. And besides the loss i think we still were good competition for them.

2) What were your expectations for this match?

IYAMU Charity Osaheniye (Italia): We were pretty sure of ourselves. And believed in our power. So we expected to win.
