Remarks

## Luxembourg – Netherlands

### *A convincing victory for the Netherlands*

On the first day of the tournament, after the victory over the hosts, the Luxembourg U17 girls team was in a good mood for the match against one of the W17 EHF CHAMPIONSHIP favorites – Netherlands team. However, the Oranges justified their status as favorites and showed strength to the opponent at the start of the game. The Luxembourgers were unable to play a combination game in attack, while in defense they could not neutralize the intense attacks and quick counterattacks of the Dutch. This picture of the game was reflected on the board at the end of the half – 6-16 in favor of the Dutch girls team.

The picture of the game remained approximately unchanged throughout the second half, the Dutch girls increased the pace of the game even more and ended their fastest attacks with effective goals and the difference between them and the opponent at the end of the match was colossal – 9-51.
