Remarks

Ukraine – Luxembourg

The fourth day of the tournament opened with a match of subgroup A, where the teams of Ukraine and Luxembourg competed against each other. In terms of qualifying for the play-offs, it can be said that this match was crucial, and although in some respects the Ukrainian team was considered the favorite of the match, there were expectations that the match would be tense and neither team could win easily.

Expectations were met only in the first 10-15 minutes of the match, when Luxembourg put up a fierce resistance against the Slavs and did not allow them to go ahead with a big score.

After that, the Ukrainian team converted the advantage of the game on the board and won easily.
